Rain Barrel Program

Pre-Order until April 7, 2026

Limited Quantities! Pick up will be mid-April from Pembina Place.

The Rain Barrel Program invites residents to purchase quality rain barrels at a great price. **Barrels are $80.** Order forms and details are available online at www.redwter.ca/p/events-programs or at the Reception Office at Pembina Place. You can also order online at https://townofredwater.perfectmind.com/ or by scanning the QR code below. For more details, please call 780-942-4101

Rain Barrel Benefits

- Rainwater is free, which saves money on your monthly water bill.
- It decreases the amount of drinkable, treated water used for outdoor watering.
- It reduces the energy used to pump and treat drinking water and the demand on water treatment facilities.
- Rainwater is soft and non-chlorinated, which can stimulate plant growth and make soil healthier.
- It's an easy way to conserve water, one of our most precious resources and protect the environment.

This program is offered in partnership with Sturgeon County and any returns should be processed directly through Sturgeon County Agriculture Services. Call 780-393-4321 for more information.
