## Reminder to Trailer Park Residents:

Please ensure piping has sufficient heating during this winter. As the temperature lowers, piping under trailers or in buildings may freeze causing a break. Please ensure heat tape or other means of heat is operational and working. Leaks caused by freeze up are the home owner's responsibility.

## SIDEWALK CLEARING

### Snow Removal Notice for All Residents and Businesses

With winter season and the resulting ice and snow accumulations that will undoubtedly result, we wish to remind residents and businesses of the need to keep sidewalks adjacent to your properties clear of all snow and ice.

The Town of Redwater's Community Standards Bylaw #870 stipulates that:

**"The Owner or Occupier of any Property adjacent to a Sidewalk is responsible for the removal of all ice and snow the full width of the sidewalk, from that portion of the sidewalk within Forty-Eight (48 hours) of a snow fall or rain fall."**

Please take the time to get to know your neighbour by aiding those in need to ensure all sidewalks remain safe for pedestrians.

Please note that it is the responsibility of the property owner to ensure compliance of the bylaw. Failure to comply with the bylaw may result in a fine being imposed and a resulting invoice for the removal of ice and snow. Should an invoice remain unpaid, the invoice will be applied to the property tax roll.
