

Monthly Information Bulletin

August 2020

Would you like to help?

In the event of an emergency, Pembina Place may be activated as a Reception Centre for evacuees.

If you would like to offer your services during a time such as this, please call the Community Services Office at 780-942-4101 for more information.

General information meetings and training will be offered in the near future.

Changes to Tax Penalties for 2020

Council approved a change the Tax Penalty Bylaw for 2020; a 5% penalty will be applied September 1 and November 1 for current taxes unpaid.

Utilities Update

Penalties and 48-hour notice deliveries resumed in July. These were suspended by Council for COVID-19 assistance for business and residents to the end of June.

Pre-authorized Payment Plans

You can sign up anytime to have your utility bill withdrawn directly from your bank account, payments are collected on the 20th day of every month or the next business day.

E-Billing

Sign up to receive your utility bill via email, visit our website or call the Town Office for details.

Visit PaySimply and pay your property taxes and utility bills your way

Just follow these simple steps:

Discovery Days Fireworks

August 15, 2020 @ 11 PM

Fireworks will be staged from 5701 44 St (behind 54 Ave)

To enjoy the fireworks find a safe spot to park to view the show from or beside your vehicle or go to our Facebook page to watch them live.

Please follow all Alberta public health orders including physical distancing to protect yourself and others from the spread of COVID-19.

Public health orders are prone to change please go to www.alberta.ca for up to date information.

Thank you to the Redwater & District Ag Society for the financial contribution towards this event.

Replace Your Toilet And Save \$50

Replace your old, water guzzling toilet with an efficient, dual flush or low flush (4.8-litre or less per flush) toilet and you are eligible for a rebate of \$50. Replacing your high-volume toilet could also save you over 1000 litres of water each month, putting money back in your pocket.

Your old toilet will qualify if it currently uses 13 L of water per flush (or more). There may be a stamp on the inside or rear of the tank that indicates the L / flush. If you cannot find a stamp calculate the flush volume by multiply length (cm) x width (cm) x water depth (cm) divided by 1000 = volume of flush in litres.

How Do I Apply For This Rebate?

Complete the application form and submit to the Town Office with your receipt that indicates a dual flush or low flush model. The rebate is available to Town of Redwater residents only.

Rebates are processed on a first come, first served basis and there will be a maximum of 20 applications processed per year and a limit of one rebate per household.

If you have any questions call 780-942-3519.
