FOR IMMEDIATE RELEASE- VOLUNTEER APPRECIATION DONATION

April 23, 2020

The Town of Redwater, staff and Council, wish to recognize the tremendous contributions of all volunteers. We appreciate the commitment of their time and energy into the many groups and organizations that make our community a great place to live.

We recognize that the circumstances brought on by the COVID 19 pandemic has impacted many of us as individuals and organizations. Unfortunately, due to measures put into place by the government we will not be able to celebrate Volunteer Week the same way we have in the past. However, we feel it is vital in a time like this to show our volunteers and groups, how they are truly ***“The Magic That Lifts Our Community”*** and enables us to thrive during these difficult times. In recognition of all our local volunteers and to honour Volunteer Week, Redwater Town Council, would like to provide a \$1000 donation to the Redwater Fellowship of Churches Food Bank in lieu of a Volunteer Appreciation Event.

Name & Contact info for questions:

Larry Davidson
