

Use of Playground and Outdoor Fitness Equipment DISCOURAGED

Our public parks and trails remain open.

We discourage the use of playground and outdoor fitness equipment to limit contact between residents during the COVID-19 pandemic.

If you choose to use the equipment, please ensure to:

- Practice physical distancing by maintaining 2 metres (6 feet) of distance from others;
- Bring your own hand sanitizer; use before and after equipment use;
- Wash your hands for a minimum of 20 seconds upon returning home.

Please continue to enjoy the parks and trails, or play outside on your property, while maintaining physical distancing practices.

Our priority is protecting the health and safety of our residents while continuing to serve you.

Please contact Larry Davidson, Town Manager if you have questions or concerns 780-942-3519 cao@redwater.ca
